

This technical drawing shows a side elevation of a mechanical assembly. The assembly consists of a main body with a central vertical shaft or piston rod. At the top, there is a circular component, possibly a flywheel or a pulley, with a central hub and a surrounding rim. Below this, the main body has a complex internal structure with various chambers and passages. The bottom of the assembly features a series of vertical supports or feet. The drawing is labeled with letters (A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z) and numbers (1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100) to identify specific parts. A scale bar at the bottom indicates a length of 100 units.
